## WE RECYCLE

At the Good Food and Drink Company Depot, we take recycling and the impact on our environment very seriously.

We recycle all paper, plastic, tin, glass, printer cartridges and most importantly all our food waste is placed in an anaerobic digester and the energy produced goes back into the local grid.

Working together with 'Surfers against Sewage' and 'Plastic Free North Devon' to reduce the need for single use plastics in our businesses as well as encouraging our suppliers to do the same, to protect our oceans and environment for future generations.

## How to Order

Please be seated, all orders will be taken at the table. If seated in the bar area or outside please order from the bar. Menus and daily fresh fish specials can be found on the QR code.
